

FY 2027 Tobacco 6000 Grant Request for Proposal

Tobacco 6000

The project should address the use of Electronic Nicotine Delivery Systems (ENDS) and related consequences.

Funding Available:

- Regionally - \$6,000

Additional Information:

Grant projects are to be for reimbursement of services or materials. Payment will be made once the Financial Status Report (FSR) is submitted along with documentation to support the request for payment. Costs billed to the NMRE for the grant must be actual costs. At the time of the award, the required documentation will be sent. Grant reporting must be submitted quarterly. The proposal should include all the NMRE region (21 Counties). If any In-kind additions, please specify within the proposal not the budget.

Award funds will be made available October 1, 2026 through September 30, 2027.

If awarded, additional information will be required. This includes: W9, ACH Vendor form, and copies of general/professional liability as appropriate, which NMRE will request at the time of the award.

Allowable projects include:

- Conduct an ad campaign-
 - Create or use ad campaign material that needs to be approved by the MDHHS, and reflects the populations in the region.

Items for Submission:

- FY2027 RFP (attached)
- Letters of Support, as appropriate
- Budget

Additional Information:

Proposals are to be uploaded to the link provided [here](https://nmre.sharefile.com/r-r25f47d0edbac4b1abdb1690906a4c373), or longform URL here:
