Eligibility Inquiry and Response file (270/271) is intended as the primary tool for the CMHSP and provider system to determine eligibility.

B. Community Block Grant Residency Requirements

Residency for individuals requesting SUD services paid with Community Grant Block funding will be ninety (90) days of residency within the NMRE region unless otherwise indicated in this policy.

C. Exception to Community Grant Residency Requirements

NMRE Community Block Grant funds may not be used for individuals with a last known address outside of the NMRE region whose placement in the NMRE region is due to a boarding or bed purchase arrangement with a county entity located outside of the NMRE region.

Requests for exceptions to the Community Block Grant Residency requirements may be made to the NMRE. Consideration for an exception to policy will be made on a case-by-case basis.
